Our vision is a long term commitment to the industry and our customers. which is possible through our collective experience and our belief in honesty, integrity, reliability, longstanding relationships and trust.

## VISION

The vision of company is based on its value of continuous innovation. undying commitment and elaborate customer interaction. The company strives to provide the best possible solution to the customer by listening and understanding the various needs of the customer.

## QUALITY

Material are checked through approved and authorised laboratories, wit complete component traceability and documentation, following valve testing as per ANSI-B16.5 using test method by air, hydrogen and helium. We have policy of continues improvement and are constantly focusing on ungrading our products with a view to enhancing their performance.

## CORE VALUE

- Always Growth Oriented
- Always connect with a positive mindset
- Always value genuine customers
- Always give best to fulfil commitments made
- Always work on core & New Innovations

## WHY CHOOSE US

- Service Oriented
- Cost-effectiveness
- Product Compatibility
- Dimensional Accuracy
- Optimum Performance
- Manufacturing Expertise
- Durable Finish Standards

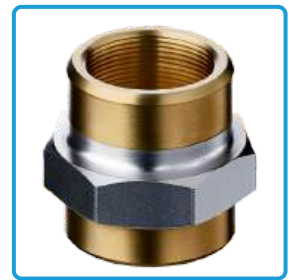

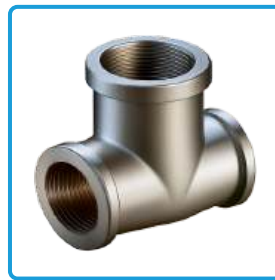

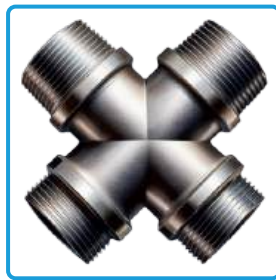

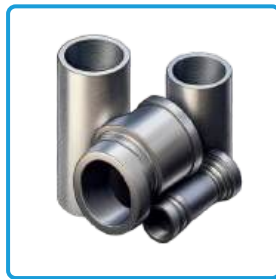

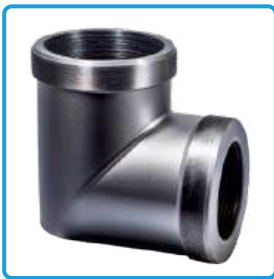

## Valves

- Forged Steel Ball Valves
- Forged Steel Gate Valve
- Forged Steel Globe Valves
- Forged Steel Lift Check Valves
- Cast Steel Ball Valves
- Cast Steel Gate Valves
- Cast steel Globe Valves
- Cast Steel Check Valves
- Plug Valves
- Control Valves
- Safety Valves

## I/C CASTING FITTINGS

- 45 Elbow
- 90 Elbow
- Tee
- Cross
- Elbow Reducing
- Reducing Cross
- Reducing Tee
- Y Stainer 45
- Street Elbow 90
- Street Elbow 45
- Street TEE
- Coupling
- Reduce Coupling

## TUBE FITTINGS

- Male Connector
- Female Connector
- Adapter
- Plug
- Union Tee
- Female Tee
- Branch Tee
- Run Tee
- Union
- Reducing Union
- Bulkhead Union
- Tube Elbow
- OD Cap
- OD Plug
- Hex Nipple

## FORGED FITTINGS

- 45 Deg Elbow Fittings
- 90 Deg Elbow Fittings
- Union
- Barrel Nipple
- Swage nipple
- Bushing
- Forged Tee
- Equal Tee Fittings
- Reducing Tee Fittings
- End Cap
- Cross
- Plug
- Coupling
- Full Coupling
- Half Coupling
- Reducing Coupling
- Boss

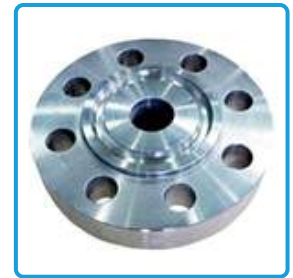

## FLANGES

- Slip On Flanges
- BLIND Flanges
- Weld Neck Flanges
- Threaded Flanges
- Olet Flanges
- Socket Weld Flanges
- Lap Joint Flanges

## FLANGES STANDARDS

- ANSI B16.5 Flanges
- ANSI B16.47 SERIES A Flanges
- ANSI B16.47 SERIES B Flanges
- PN Flanges
- JIS Standard Flange
- DIN Flanges
- EN 1092-1 Flanges
- API 605 Flanges
- AWWA C207 Flanges
- BS Flanges
